### About This Game

#### Build tiny voxel worlds in virtual reality!

Microcosm is the game I've wanted to play in VR ever since I saw the Oculus Rift Kickstarter way back 5d3b920ae0

Title: Microcosm

Genre: Casual, Indie, Simulation, Early Access

Developer:

paulstraw

Publisher:

paulstraw

Release Date: 17 Apr, 2017

#### Minimum:

Requires a 64-bit processor and operating system

**OS:** Windows 7 or newer

**Processor:** Intel Core i5-4590 or AMD

English

microcosm usage. microcosm of the macrocosm. babcock microcosm 2012. microcosmi magris. microcosm vs mesocosm. microcosm kid. microcosm thesaurus. microcosm software. microcosm cities. microcosm targets. microcosm definition. microcosm gameplay. neon microcosm full apk. meaning of microcosm you. microcosm virus. microcosm g-1 steam engine. microcosm journal. microcosm q2 v-twin. microcosm band. microcosm earth. microcosm examples in literature. microcosm 3do iso. microcosm the quantum revolution in economics and technology. microcosm test. microcosm github. microcosm profile. microcosm plato

---

Microcosm is a vr voxel tool, and for early access it seems like a great start. It lacks a few key features, such as undo, but I'd expect the dev is aware and will want to put that in before the full release..
